

Did We Change

From Indian Lakes

I can't erase it now
The blue eyes, I see the end of it
Pulling me back and I let go
I wanna feel it all now
The long hours we were touching hands
Pushing me out and now I'll never know

And now I can't wait for the next time I'm alone
Every day is another long walk back to your old place
And now I stay out late at night waiting for the sun
Nothing's wrong but it doesn't feel right
Does anyone ever really change?

Did we change?
Did we change?
Did we change?
Did we change?
Did we change?

I have to chase this down
The high I get when I belong to you
Holding me down and I let go
Are you the end of everything?
The lights go down in bed you're showing teeth
Blurring the time, I never wanna know

And now I can't wait for the next time I'm alone
Every day is another long walk back to your old place
And now I stay out late at night waiting for the sun
Nothing's wrong but it doesn't feel right
Does anyone ever really change?

Did we change?
Did we change?
Did we change?
Did we change?
Did we change?
