

The Canyon

From Indian Lakes

When you stop and take it all in
You don't believe
It is just in your mind
It began in your head

When it hurts so bad
You don't want to believe
It is you that's wrong
It is you that's wrong
It is you that's wrong
It is you that's wrong

When you stop and sink it in
You're asking
You can hide in your mind
You pretend that you're dead

When you burn all you have
You don't need anyone
To tell you it's wrong
To tell you it's wrong
To tell you it's wrong
To tell you it's wrong

When I began to see it
I was a blank page
Under a chapter undiscovered
But I tore away

When you pour in happiness
You don't believe
It exists anymore
You're alone in head

When it hurts so bad
You don't want to believe
It is you that's wrong
It is you that's wrong
It is you that's wrong
It is you that's wrong
It is you that's wrong
(When you stop and take it all in)
It is you that's wrong
(You don't believe)
It is you that's wrong
It is you that's wrong
