

Oh, we will stagger  
We will stagger  
On and on  
A simple habit  
Jump from one foot  
To the other  
On and on

Chained to the laws

Oh, let's go further  
Used to reeling  
On and on  
A plain reflex  
If mistaken  
Never lose faith  
Steering on

Oh, we will stagger  
Lose our bearings  
On and on  
Yes, there can be no  
Obvious answers  
As we move on, and on and on,  
We must tremble  
Lame and humble  
On and on

Behind the stars  
Beneath the walls  
Below the ground  
Before the storm...  
Below the ground  
Before the storm...

Chained to the laws  
Chained to the laws

Oh, useless anger  
There's no answer  
To be found  
We will stagger  
We will falter  
Stained and blackened  
On and on

Chained to the laws...  
Chained to the laws...  
You'd better know the laws...
