

## Close Up

Frou Frou

Is this a feeling of something  
About to happen?  
Like snapping out of something i didn't realize i was in.  
Was I sleeping?  
What?  
How can you be so sure  
If you've never been here before?  
I don't understand,  
It can't be that easy.

I love you i hate you i love you i hate you  
I can't keep my hands of you  
I love you i hate you i love you i hate you

[Chorus]

Get back, get away from them  
It's all wrong  
Keep calm for a moment  
Look in my eyes  
Get back, get away 'cause  
This could get ugly  
If you think that i'll let you go  
You're out of your mind

Oh my god,  
I'm not supposed to say this  
'Cause i know that you're trouble but...  
Is that your real name and why are you doing this?  
And how did i get here?  
Ok..no more questions,  
No worries  
It's destination unknown  
So dive in  
The waters great  
Listen i'm starting to speak like you

I love you i hate you i love you i hate you  
You can do no wrong  
I love you i hate you i love you i hate you
