

Shh

Frou Frou

Sunbeam stop tugging me
Pull that door shut quietly
Darling what are you doing
We don't have time for this

Mmm dey mmm da mmm daaeoo
Mmm dey mmm da mmm daaeoo

Crazy well what are you then
Give me an hour and I'll give you your dream...

Don't make a sound shh listen
Keep your head down - we're not safe yet
Don't make a sound and be good for me
'cause I know they're waiting somewhere out here

Leave it I won't go back
We have to do it cos there's nothing left here
Don't care what do they know
I've seen it baby and I know it's real
Show time I knew they'd come
Woah are we having fun or what yeah

Don't make a sound shh listen
Keep your head down - we're not safe yet
Don't make a sound and be good for me
'cause I know they're waiting somewhere out here

I feel good all over
I feel good all over
I feel good all over

Wear your inside out
