

## Alice in My Fantasies

Funkadelic

Hey baby, be my dog, ooh  
Alice in my fantasies, uh, promised to do  
All kind of freaky things to me, said  
She would, uh, suck my soul, if I'd lick her emotion  
The freak said, I would even owe her my devotion  
She said, she'd, uh, cover me  
With, uh, strawberries and pretend  
That I'm a shortcake, I said  
"Uh, not by the hair of my chinny chin, chin"  
Ooh, yeah, heh  
Alice in my fantasies, uh, promised to do  
All kind of freaky things to me, said  
She would, uh, suck my soul, if I'd lick her emotion  
The freak said, I would even owe her my devotion  
I said, "Uh, lady, be my dog  
And I'll be your tree, and you can pee on me"  
Mama said, never eat yellow snow  
So away we go  
Huh, huh, huh, huh, huh, huh, heh  
Be my dog, hey  
Baby, they call it mental masturbation
