## Funkadelic

We are the phunklords and we're coming to ya  
Gonna hit you with a one and then  
With our groove we'll move ya  
Sent to you from eons away  
Just to spread some funk your way  
[x2]

Hey my friends, so happy to see you again  
It's been a long time since we have grooved all as one  
We've been strivin', stayin' just alive, stayin' just alive  
We can't wait to get to your town, just to lay that funky rhythm down  
'Cause we gonna bump, we gonna freak, we gonna give your feet a treat  
Dancin' to a rockin' beat

Slippin' away from a ship of fools who had a captain that changed the rules  
After seein' the world we lived in and what we could be givin'  
Ooh we feel for you  
Don't throw away your wisdom to those on the losin' side  
Let their greed be their company in the shadows where they hide  
Friends there are many, each one's not the same  
Some are real and know the truth, to others it's just a game

We are the phunklords and we're coming to ya  
Gonna hit you with a one and then  
With our groove we'll move ya  
Sent to you from eons away  
Just to spread some funk your way

Slippin' away from a ship of fools who had a captain that changed the rules  
After seein' the world we lived in and what we could be givin'  
Ooh we feel for you  
Don't throw away your wisdom to those on the losin' side  
Let their greed be their company in the shadows where they hide  
Friends there are many, each one's not the same  
Some are real and know the truth, to others it's just a game

We are the phunklords and we're coming to ya  
Gonna hit you with a one and then  
With our groove we'll move ya  
Sent to you from eons away  
Just to spread some funk your way

We are descending unto you leaving a trail of truth behind us  
Why don't you hop on this funk connection  
So we can be a constant reminder  
There's no time for writing in the book of yesterday  
Love is forgiving, love is forgiving, love is forgiving  
Love's shonuff forgivin', love is forgiving  
(Wo oh oh oh oh oh oh oh oh oh oh)  
Love is forgiving, it'll make your life worth living  
Hey

We are the phunklords, we are the phunklords,  
We are the phunklords,  
We are the phunklords, we are the phunklords,  
We are the phunklords,  
We are the phunklords, we are the phunklords,

We are the phunklords
