

Sunshine of Your Love

Funkadelic

It's getting near dawn
And lights close their tired eyes
I'll soon be with you, my love
To give you my dawn surprise
I'll be with you darling soon
I'll be with you when the stars start falling

I've been waiting so long
To be where I'm going
In the sunshine of your love

I'm with you, my love
The lights shining through on you
I said I'm with you, my love
It's just the morning and just we two
I'll stay with you darling now
I'll stay with you 'til my seas are dried up

I've been waiting so long
To be where I'm going
In the sunshine of your love

I'm with you, my love
The lights shining through on you
I said I'm with you, my love
It's just the morning and just we two
I'll stay with you darling now
I'll stay with you 'til my seas are dried up

It's getting near dawn now
I've been waiting for you
'Til my seas are dried up

See, it's getting near dawn
And lights close their tired eyes
I'll soon be with you, my love
I'll give you my dawn surprise
I'll be with you now and soon
I'll stay with you 'til my seas are dried up

Yes I've been, girl
You know one thing
I've been waiting

I've been waiting so long
To be where I'm going
In the sunshine of your love
