

# The Electric Spanking Of War Babies

Funkadelic

Hi there (Hi, are you talking to me? What is that?)  
You probably don't remember me, right? (No, I don't remember you)  
Ah-ha, but I remember you (What's that? I don't?)

You probably won't believe this, but, uh  
I, at the early age of seventeen  
Was adopted by aliens  
Was adopted by aliens

That's right, I said aliens  
They have long since programmed me  
To return with this message

When you learn to dance  
You won't forget it  
Ooh, when you learn to dance  
You won't forget it

When you learn to dance  
You won't forget it  
When you learn to dance  
You won't forget it

You can walk a mile in my shoes  
But you can't dance a step in my feet  
You can walk a mile in my shoes  
But you can't dance a step in my feet

You stand a chance  
You can dance  
You stand a chance  
You can dance

It's shocking to find  
(Sock it to the circuit)  
That your mind  
(Sock it to the circuit)  
And your behind  
(Sock it to the circuit)  
Gets a spanking in time

Sock it to the circuit  
Dead it in addition  
We compute a perfect funk

You can walk a mile in my shoes  
But you can't dance a step in my feet  
You can walk a mile in my shoes  
But you can't dance a step in my feet

It's a bummer to find that your mind  
And your behind gets exploded in time

The electric spanking of war babies  
The electric spanking of war babies

Oh, it's shocking to find  
That your mind and your behind  
Will get a spanking in due time

You've seen the bomb  
Vietnam, LSD You've seen the E?  
You've seen DNA  
Watch them go to the moon, live on TV

Sock it to the circuit  
We compute a perfect funk  
In the digital  
(We compute a perfect funk)

It's shocking to find  
That your mind, like your behind  
Gets a spanking in time

You've seen the bomb  
Vietnam, LSD You've seen the E?  
You've seen DNA  
Watch them go to the moon, live on TV
