## Your Love Won't Take Me Anywhere

## **Fury In The Slaughterhouse**

I tell you complicated girls Are complicated lovers And mostly later they become Complicated mothers

You say you love me, I don't care 'cause you're love won't take me anywhere You're love won't take me anywhere, babe You say you love me, I don't care 'cause you're love won't take me anywhere Oh yeah

Come on not another try
'cause the time is really wasted
Crap declared as first class meal
And I paid before I tasted

You say you love me, I don't care 'cause you're love won't take me anywhere You're love won't take me anywhere, babe You say you love me, I don't care 'cause you're love won't take me anywhere Hmm, hmm
Yeah

Empty tea cups and the look of angry mothers A lonely angel hidden inbetween the others With wings so white much to white to fly A handicaped angel in a wheelchair passes by Soken wet I awake you are away A smile comes in my face and suddenly I say Jippee yo jippeyay Jippee yo jippeyay Jippee yo jippeyay

You're love won't take me anywhere You're love won't take me anywhere, babe You say you love me, I don't care 'cause you're love won't take me anywhere

Anywhere, anyhow Yeah yeah Anywhere
