

Lazy Day

Fuse ODG

I did not sleep much last night
Yeah, we were dancing to the early hours and late
And now my bed feels just right
I got my beautiful woman beside me
Sayin', sayin'
Baby, today's a lazy day
Baby, today's a lazy day
We're making love in a crazy way
Baby, today's a lazy day

No need to holla at me on my phone
(Oh don't holla at, oh don't holla at me)
'Cause I just wanna stay in bed, with my baby alone
(Oh don't holla at, oh don't holla at me)
Hungover from the night before, we drunk all night long
(Oh don't holla at, oh don't holla at me)
Now I just wanna do nothing with my lady at home
(Oh don't holla at, oh don't holla at me)
Oh yeah

You've been wearing no make-up
My t-shirts and your panties on
You ain't tryna wake up
[?] Instagram on your phone
Ain't no feeling greater
It's your day, you ain't done nothing wrong
Sometimes you have to do nothing to do everything

We're making love in a crazy way

My whole wilin' night
We've been through some troubles
We always survive
Today we gon' cuddle and watch the sunrise
'Cause we don't have to do anything
From day to the night
(From day to the night)
I wanna see smiles all on your face
Watch your reality shows, oh baby, today is your day
I've [?] you'd call me crazy
Food all on your plate
Wish we could do this on the daily
But sometimes we have to do nothing to do everything

Baby, bebé, feels like a lazy day
My girl and I making love in a crazy way
