Oh Mary Mary Mary  
Why you wanna break my heart  
When you tell me tell me tell me  
That we'll never be apart  
Why don't you meet me at the train station  
And fix the heart that you're breaking  
Why don't you meet me at the train station  
And fix the heart that you're breaking

I say Mary Mary Mary  
Why you wanna break my heart  
When you tell me tell me tell me  
That we'll never be apart  
Why don't you meet me at the train station  
And fix the heart that you're breaking  
Why don't you meet me at the train station  
And fix the heart that you're breaking

When I met you you had no shoes  
Now you're walking all over me  
When I met you you had no Rolex  
Now you haven't got time for me  
And I should not beg on your shoulder  
Used to have the whole world on it  
And I helped you carry, and I helped you carry  
And I put you in education  
Now you haven't got class for me  
Used to worship the ground I walked on  
Now you're practising blasphemy  
And you never had occupation cause your job was just loving me  
So one day day we go marry  
One day we'll marry

So tell me Mary Mary Mary  
Why you wanna break my heart  
When you tell me tell me tell me  
That we'll never be apart  
Why don't you meet me at the train station  
And fix the heart that you're breaking  
Why don't you meet me at the train station  
And fix the heart that you're breaking

When I met you you had no dreams  
Now you're sleeping all over me  
When I met you you had no weave, now you just be here for me  
Used to run around with them rude boys  
Now you can't even come for me  
I'm so embarrassed, I'm so embarrassed  
When I met you you had no wave, now you're driving me crazy  
Swear I met you on the strip, now your clothes don't come off for me  
Things have changed so much oh my Mary, can we pick up where we left off  
I'm in the taxi, on my way to my Mary

Singing Mary Mary Mary  
Why you wanna break my heart  
When you tell me tell me tell me  
That we'll never be apart

Why don't you meet me at the train station  
And fix the heart that you're breaking  
Why don't you meet me at the train station  
And fix the heart that you're breaking

[Big Narstie:]  
Through the suffering and pain  
Mary Jane you kept me sane  
I respect you, don't talk, just listen  
I respect how you helped my vision  
Messing 'round with you baby girl though  
Gonna put a real G in prison  
[?] bad for me but I won't listen  
B, you know you're my hippy love  
Kwasia fio  
Bastard  
Bring for me now  
The whole relationship was messy  
I ain't sending no text fuck an essay  
You know I see 'nough of your ex  
Roses are red and it's all well and said  
Violets are blue on the next day  
Peace

Mary Mary Mary  
Why you wanna break my heart  
When you tell me tell me tell me  
That we'll never be apart  
Why don't you meet me at the train station  
And fix the heart that you're breaking  
Why don't you meet me at the train station  
And fix the heart that you're breaking

I say Mary Mary Mary  
Why you wanna break my heart  
When you tell me tell me tell me  
That we'll never be apart  
Why don't you meet me at the train station  
And fix the heart that you're breaking  
Why don't you meet me at the train station  
And fix the heart that you're breaking
