Thinking About U

Fuse ODG

I've been thinking about you, girl
Ever since that I've been away
I've been thinking of you, girl
Every single thing that be coming my way
Reminded me of you, girl
Now I'm really having one of those days
Where I really want you, girl
Put it on you

Been thinking about you today
I've been thinking about you all day
I've been thinking about you all day

Been thinking about you today
I've been thinking about you all day
I've been thinking about you all day

Been checking my phone, girl
Reading messages that you send me
Telling me you're all alone, girl
Naked pictures all over my phone
Got me feeling so hmm, girl
You know I be all in my zone when I touch home, girl
Won't be responsible for anything I do

You know I say I'm out here out on my grind
Every single day that you've been on my mind
And I've been okay 'cause you've been on my line
Just today, I really want you by my side

You know I say I'm out here out on my grind
Every single day that you've been on my mind
And I've been okay 'cause you've been on my line
Just today, I really want you by my side

Been thinking about you today
I've been thinking about you all day
I've been thinking about you all day

Been thinking about you today
I've been thinking about you all day
I've been thinking about you all day

Alright, Fuse going slow
Don't you know
You're not going through this alone
If her friends don't know
She'll follow
Saying there's stress to provide at home
I know she the one in your life
What doesn't kill you makes you grow
It's okay, it's alright
Make her tell you what you're really going through

It's one of those
One of those
One of those

```
One of those
One of those
Those days
It's one of those
One of those
One of those
One of those
Those days

Been thinking about you today
I've been thinking about you all day
I've been thinking about you all day

Been thinking about you today
I've been thinking about you all day
I've been thinking about you all day

Been thinking about you today
I've been thinking about you all day
I've been thinking about you all day

Been thinking about you today
I've been thinking about you all day
```
