

Suddenly It's a Folk Song

Future of the Left

make a living from contract bridge
boring but magnificent
surely you're amazed by it
suddenly these processes
do not seem significant
now we are not worthy of friends
open wide for - sudden folks songs

hide your dreams from capital
everybody needs to eat
even dogs and customs men
suddenly these ortriches
do not seem so interesting
now we are not worthy of tans
open wide for - sudden folk songs
open wide for - certain doom

hope is a hat-stand and hats are essential for travel
in climates of conflicting temperate condition
i hope that this hat stand it finds you at peace

open wide for - sudden folk songs
open wide for - certain doom
and suddenly folk songs are part of our future
and suddenly folk songs are part of our future

leave your pride in the cabinet
pay the man and be done with it
now we are not worthy of pith
face the facts we're back in luck
turn on the light and wake me up
now we are not burdened by love
