

## Top Notch

Futuristic

You ain't never met a nigga like me  
You ain't never met a top notch kinda motherfucker  
You ain't never seen a girl like you baby  
You ain't never had no one like you baby

Show you how I live  
Never seen a crib, ay  
Looking like the white house, that's my house, shh  
Tell you how it is, ay  
Keep you on the toast  
Switchin' at the flows  
Killin' all the shows  
Take you on the road, uh  
Where you never been, uh  
We could take a trip, ya  
I ain't tryna hide your selfie on the island [?] post a pic, oh  
Willi with the sheets, yeah  
I ain't playing games  
Come that boomerang  
I'mma do my thang

You ain't never met a nigga like me  
You ain't never met a top notch kinda motherfucker  
You ain't never seen a girl like you baby  
You ain't never had no one like you baby  
You ain't never met a nigga like me  
You ain't never met a top notch kinda motherfucker  
You ain't never seen a girl like you baby  
You ain't never had no one like you baby

Back up on it  
I'mma do it, I be move it  
Tell me how we want pursue it  
Know you rocking with the coolest  
Baby know, don't be foolish  
I ain't try to brag  
Bet you ever had  
I be in my bag  
I don't lolly gag  
Know you had to find, now  
Make you hella wine, now  
Introduce life to you  
Happend all the time now  
You ain't never be with no one like this year  
They can't even make you, uh  
So I had to [?]  
Triple bread  
Off the check  
On my neck  
Get you wet  
Private jet  
Then we rest  
Take you down  
On the bed  
On the real  
I ain't never had nobody like you  
You the sweetest thing that I ever know

You ain't never met a nigga like me  
You ain't never met a top notch kinda motherfucker  
You ain't never seen a girl like you baby  
You ain't never had no one like you baby  
You ain't never met a nigga like me  
You ain't never met a top notch kinda motherfucker  
You ain't never seen a girl like you baby  
You ain't never had no one like you baby
