

Top Ten

Futuristic

Ooh

Top 10, picture perfect so I hit the zoom to crop in
Crop top in the summer I get topped and I hit the spots
Like it's top golf with the top spin
ESPN makin plays on you (plays on you)
Stay up late, I wait on you (wait on you)
Birthday the way that you should keep the cake on you
Make a light skin face a quick Drake on you
Clark Kent before the pool I don't need a cape on it (nope)

Top 10

You got this
You take shots
You don't miss
You feel off
It's okay
You a real one
And they so fake

You better than the models on the screen
I'm Ginuwine my motto whatchu got up in them jeans?
Used to have a couple with me startin on the team
But you out they league, MVP girl that's what I need ya know

My baby she a
Top 10 dropped it
Only thing I see ya when ya
My bed knock dead
In between the sheets
Other girls they try to play
But nothing can compete my girl
But you top 10 dropped it
Right here next to me, ooh yeah

You a ten outta ten I'm a ten outta ten too
We got that real thing that other people pretend to
Rice christian but in the bed we get sinful
No time for messy hoes baby girl keep it simple (stress)
Stress from your ex make you pop one (pop)
I'm a real one and he not one (no)
Baby on a cruise see a goose like we top gun
You the only option
Ay yeah, like I tell you from the start
If you fall apart I'ma be there for your heart (heart)
The body like a work of art
Bustin off the charts gettin witchu hella smart (smart)
Ay, you make all my exes so jealous
How you got my head spinnin like a propella'
I be way badder than the basic bitches down at Coachella
So I gotta go tell ya

My baby she a
Top 10 dropped it
Only thing I see ya when ya
My bed knock dead
In between the sheets
Other girls they try to play

But nothing can compete my girl
But you top 10 dropped it
Ridin next to me, ooh ya

Top 10 dropped it
My bed knock dead
Top 10 dropped it
My bed knock dead
