

Don't Talk About Love

G.R.L.

I wanna go somewhere where we can dirty up and be alone
Get in the back set of your caddy, fuck it up and let it go
Carve my initials in the dust, with my stiletto so you know
(Carve my initials in the dust with my stiletto so you know)
That we were here, now turn me up
So that we gotta crank the radio

Just, don't talk about love
Don't talk about love
Don't mess it up
Don't mess it up
Don't talk about love
Don't talk about love
Don't mess it up
Don't mess it up

Shh! Shh!
Don't mess it up

Shh! Shh!

Just wanna uh-oh by the starlight please don't jinx it all with words
(Just wanna uh-oh by the starlight please don't jinx it all with words)
Cause we don't know what this could be
Don't say it please yeah mums the word
Let's stir it up and mix it up get busted up 'till it's a blur
(Let's stir it up and mix it up
Get busted up 'till it's a blur)
Till we wake up and see the sun
Let's hit up and we can watch it burn

Just, don't talk about love
Don't talk about love
Don't mess it up
Don't mess it up
Don't talk about love
Don't talk about love
Don't mess it up
Don't mess it up

Shh!! Shh!
Don't mess it up

Shh! Shh!
Just, don't talk about love
Don't talk about love
Don't mess it up
Don't mess it up
Don't talk about love
Don't talk about love
Don't mess it up
Don't mess it up
