

## I'm Not In Love

Gabrielle

To think I sit around, in my dressing gown.  
Try to get, Over you.  
Don't think I'm shedding tears,  
Because I want you near, it's not true  
I'm over you.

I Don't think that you should come around,  
No No, and try to make it better somehow.

Cos I'm, not in love, I'm not in love,  
I'm not in love with you.  
And I, don't care what you heard  
I'm not feeling hurt, it's not true,  
I'm over you.

Not scared to venture out, or see you in a crowd  
at a place we both know.  
Haven't put my life on hold, ever since I let you go.  
it's not true, I'm over you.

I don't think you should come round  
No No, Or listen to the rumours that I'm down.

Cos I'm not in love, not in love  
I'm not in love with you.  
And I, Don't care what you heard, I'm not feeling hurt  
It's not true, I don't want you.

Think I'll flip the station, Cos the song they're playing  
reminds, me of you.  
I know it's not true  
I'm not calling you, hanging up,  
when I get blue.

Cos I'm, not in love, not in love,  
I'm not in love with you.  
And I, Don't care what you've heard.  
I'm not feeling hurt, its not true.  
I'm over with you.

Cos I'm not in love with you .....  
.....
