

# Our Love is Over

Gabrielle

Too many things have happened to tear our love apart  
But when we got together we were doomed from the start  
Didn't see the signs or realize the end would soon be near  
And there'd be no more tears

Should have seen that it was over but we chose to carry on  
There was no more love just anger all we had was gone  
If you need for me to tell you confirmation of the truth  
Our love is over, our love is over

Time to turn the pages time to start anew  
I know that I can do it, I can do it without you  
Our love is over, our love is over

Time to turn the pages time to start anew  
I know that I can do it, I can do it without you  
If you need for me to tell you confirmation of the truth  
Our love is over, our love is over, our love is over

Said things to each other we said things out of spite  
We were hurting one another all we ever did was fight  
We'd play silly games of love and hate and put each other down  
Oh we lost the final round, oh yeah

Should have seen that it was over but we chose to carry on  
There was no more love just anger everything we had was gone  
If you need for me to tell you confirmation of the truth  
Our love is over, our love is over

Oh time to turn the pages time to start anew  
I know that I can do it, I can do it without you  
Our love is over, our love is over, our love is over, over yeah

Time to turn the pages time to start anew  
I know that I can do it, I can do it without you  
If you need for me to tell you confirmation of the truth  
Our love is over, our love is over

Used to fuss and fight never took the time to look around and see  
How much I was hurting you and you were hurting me  
If you need for me to tell you confirmation of the truth  
Our love is over, our love is over

Time to turn the pages time to start anew  
I know that I can do it, I can do it without you  
If you need for me to tell you confirmation of the truth  
Our love is over, yeah yeah yeah yeah

It's over, it's over, yeah yeah  
It's over, it's over, yeah yeah  
Our love is over
