

Clean

Gaither Vocal Band

I stepped into the river
Sank up to my knees in the mud
The preacher man took me under
Beneath that cleansing flood
There was something in the water
There was power in the blood
For the first time in my life I felt clean
Chorus
Clean, I felt clean
Clean, I felt clean
There was something in the water
There was power in the blood
For the first time in my life I felt clean
I just could not forget it

It would not let me be
The past was there to haunt me
It had its chains on me
Then the preacher man took me under
Beneath that cleansing flood
For the first time in my life I felt clean
Repeat Chorus
Oh the blood of Jesus
Oh the blood of Jesus
Oh the blood of Jesus
That washes white as snow
Clean, I felt clean
Clean, I felt clean
Clean, I felt clean
Clean, I felt clean
