

Good Good News

Gaither Vocal Band

I woke up monday mornig and i walked out on the lawn
My eyes were barely open and my mouth begin to yawn
Picked up the daily paper, every single headline said
That this whole world is full of trouble and i wished
i'd stayed in bed
Sometimes the bad that's goin' on's enough to bring you
down

Turned on my television and began to flip on through
All one hundred channels, hbo and pay-per-view
Not one message had a meaning that was good in any ways
Just before i wrote the whole world off, i heard the
father say
"don't forget what i have promised, you can overcome it
all"

I'll spread this talk all over town 'bout the peace and
joy i found in you
(good news, good, good news)
This story is about to break and blessed are the feet
that take the truth
(good news, good, good news)
I'm slippin' on my dancin' shoes 'cause i've got good,
good news

Well my knees began to shakin' and my heart began to
beat
And a funny new sensation worked its way into my feet
The spirit of glad tidings came from somewhere deep
inside
And holdin' back the flood was just like holdin' back
the tide
I couldn't help but circulate to ev'ry one i know

I'll spread this talk all over town 'bout the peace and
joy i found in you
(good news, good, good news)
This story is about to break and blessed are the feet
that take the truth
(good news, good, good news)
I'm slippin' on my dancin' shoes 'cause i've got good,
good news

I've got good news

I'll spread this talk all over town 'bout the peace and
joy i found in you
(good news, good, good news)
This story is about to break and blessed are the feet
that take the truth
(good news, good, good news)
I'm slippin' on my dancin' shoes 'cause i've got good,
good news

I'm slippin' on my dancin' shoes 'cause i've got good,
good news
Well i'm slippin' on my dancin' shoes 'cause i've got

Good news, good, good news
