

# The Night Before Easter

Gaither Vocal Band

The night was so different from all the rest  
And a silence covers the Earth;  
The stars have no glimmer, the moon tries to hide,  
For in death lies the man of their birth.

Then a stone moves, the Earth shakes (and) birds start singing,  
The sun shines, the Earth warms (for) new life it's bringing;  
A little boy stops crying, a mother is smiling,  
For death could not hold their King

In a room filled with sorrow, a mother cries  
For Jesus, her Son now is gone;  
Her child sent from heaven was taken away,  
Heart broken she feels all alone.

Then a stone moves, the Earth shakes (and) birds start singing,  
The sun shines, the Earth warms (for) new life it's bringing;  
A little boy stops crying, a mother is smiling,  
For death could not hold their King

At the feet of his mother a little boy cries  
Saying "'momma' I don't understand;"  
I remember the look of love in His eyes,  
That I saw, by the touch of His hand.

Then a stone moves, the Earth shakes (and) birds start singing,  
The sun shines, the Earth warms (for) new life it's bringing;  
A little boy stops crying, a mother is smiling,  
For death could not hold their King

The King of all ages, the Giver of life,  
For a moment lies silent and still;  
But a power sent from heaven comes breaking the night,  
And death must bow to His will.

Then a stone moves, the Earth shakes (and) birds start singing,  
The sun shines, the Earth warms (for) new life it's bringing;  
A little boy stops crying, a mother is smiling,  
For death could not hold their King

When death could not hold their King.
