

There Is A Mountain

Gaither Vocal Band

The lock upon my garden gate's a snail, that's what it is
The lock upon my garden gate's a snail, that's what it is
First there is a mountain, then there is no mountain, then there is
First there is a mountain, then there is no mountain, then there is

The caterpillar sheds his skin to find a butterfly within
Caterpillar sheds his skin to find a butterfly within
First there is a mountain, then there is no mountain, then there is
First there is a mountain, then there is no mountain

Oh Wanita, oh Wanita, oh Wanita, I call your name
Oh, the snow will be a blinding sight to see as it lies on yonder hillside

The lock upon my garden gate's a snail, that's what it is
The lock upon my garden gate's a snail, that's what it is
Caterpillar sheds his skin to find a butterfly within
Caterpillar sheds his skin to find a butterfly within

First there is a mountain, then there is no mountain, then there is
First there is a mountain, then there is no mountain, then there is
First there is a mountain, then there is no mountain, then there is
