

## Red King

Galactic Industry

Tell me about your dreams  
I can satisfy them  
I wanna please you all

I'm the red king  
who belongs to people,  
but not to their lives in this town  
everything I do  
I do not for you  
I only do for my own image

Tell me about your dreams  
I can satisfy them  
I wanna please you all

I'll be very angry  
if you do vote now  
for my unconditional resignation  
who serves to (the) devil  
he will be rewarded  
for his services only by hell

Tell me about your dreams,  
I can satisfy them  
I wanna please you all
