

Worse Than THC

Galactic Industry

I don't like distrust of me
I dearly hate these men
Usually they can't
Cross their shade

I don't like distrust of me
I dearly hate these men
Usually they can't
Cross their shade

Maybe it's sweet to elate
With one's own inability
But this drug is worse
Than THC

If you aren't sure
Trust me!
Listen to me
Don't ask!
If you aren't sure
Trust me!
Listen to me
Don't ask!

It's very easy to be
Nothing and meddle with all
That's everyone can do
Really, really!

At any time and anywhere
It's possible to doubt all
But it only leads
To destruction

If you aren't sure
Trust me!
Listen to me
Don't ask!
If you aren't sure
Trust me!
Listen to me
Don't ask!

If you aren't sure
Trust me!
Listen to me
Don't ask!
If you aren't sure
Trust me!
Listen to me
Don't ask!
