Gallant

Humming, losing sleep I'll never get back  
(Never get back, babe)  
Humming, losing sleep I'll never get back  
Humming, losing sleep I'll never get back

(You know it, you know it)  
Humming, losing sleep I'll never get back  
(You know it, you know it, you know it)  
(You know it, you know it)
