

Yeah, yeah

Do you know
What it's like to wake up to dead silence in these halls?
When other people run around in circles to applause, yeah
My girl left me 'cause I didn't show her as much love
As my Sega Saturn, I'm sorry for rambling, but

You're the last friend I trust in the city
Thanks for listening to me out of pity
Your girl turns and points at the TV
Looks me in the eye and tells me

Don't you wanna live like that? Yeah, yeah
Don't you wanna live like that? Yeah, yeah
Don't you know the world's much better with a view?
Goddammit, it's true
So don't you wanna live like that? Yeah, yeah

(Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah)
Don't you wanna live like that?
(Yeah-yeah-yeah-yeah, yeah-yeah-yeah-yeah)

Do you know
What it's like to walk into the party with no squad?
Surroundin' me to laugh at every casual remark, yeah
I can't seem to hold a conversation so I crawl back to isolation
I might have a problem 'cause

You're the last friend I trust in the city
Thanks for listening to me out of pity
Your manager puts me backstage at The Foundry
Does a bump before she tells me

Don't you wanna live like that? Yeah (Yeah), yeah (Yeah)
Don't you wanna live like that? Yeah (Yeah), yeah (Yeah)
Don't you know the world's much better with a view?
Goddammit, it's true
So don't you wanna live like that? Yeah (Yeah), yeah (Yeah)

Don't you wanna live like that?
Don't you wanna live like that?
Keep a hundred on the dash, and your heart's not slowing down
50K on the paint, dark skin in the backseat, right now
And they be breakin' their necks for that Panasonic sound
Nah, you can't tell me that you don't want nothing

Don't you wanna live like that? Yeah (Yeah), yeah (Yeah)
Don't you wanna live like that? Yeah (Yeah), yeah (Yeah)
Don't you know the world's much better with a view?
God dammit, it's true
So don't you wanna live like that? Yeah (Yeah), yeah (Yeah)
