

Rising Infuriation

Galneryus

No way□ Evil□ (I) lose control of myself
No way□ Marvel□ I'm not feeling myself

The tragic fact (I) can't believe that
Sadness I feel intense anger
The certain fact (I) can't believe that
Darkness But I must go ahead

No way□ Fiction□ I was tricked by him
No way□ Action□ I can't forgive him

The tragic fact (I) can't believe that
'Oh, you rat□' I feel intense anger
The certain fact (I) can't believe that
Grievous cry... But I thrust ahead

My destiny is cruel for me
(I've) lost my dearest ones
(and) now I knew the truth
Unbearable pain (Falls on like rain)
It's endless pain (Caught in a chain)
Cry out□ (More out loud)
It's his wrongful deed

My destiny is awful for me
(I) think about the meaning of my fight again
It's a crisis (Under curses)
What's the justice□ (Fall of justice)
Cry out□ (More out loud)
By his wrongful deed

Dark Side□ Genocide□ Mortified□ With pride□
Many of men died
Dark Side□ Genocide□ Mortified□ With pride□
Realized it all
Dark Side□ Genocide□ Mortified□ With pride□
Many of men died
Dark Side□ Genocide□ Mortified□ With pride□
Realized it all

What's going on... (It's) not nearly dawn
Sadness I feel intense anger
Who's crying now... I wander now
Darkness But I must go ahead

My destiny is cruel for me
(I've) lost my dearest ones
(and) now I knew the truth
Unbearable pain (Falls on like rain)
It's endless pain (Caught in a chain)
Cry out□ (More out loud)
It's his wrongful deed

My destiny is awful for me
(I) think about the meaning of my fight again
It's a crisis (Under curses)
What's the justice□ (Fall of justice)

Cry out□ (More out loud)
By his wrongful deed

Dark Side□ Genocide□ Mortified□ With pride□
Many of men died
Dark Side□ Genocide□ Mortified□ With pride□
Realized it all
Dark Side□ Genocide□ Mortified□ With pride□
Many of men died
Dark Side□ Genocide□ Mortified□ With pride□
I realized□
Dark Side□ Genocide□ Mortified□ With pride□
I'll still fight more
