

Soul of the Field

Galneryus

Now's the time I slash at you with my sword
I change my sorrow into power
□□□□□□ □□□□□□

There's no way to keep a promise 'cause I have to win my honor
Why did you try to do that□
There's no way to keep a promise 'cause I have to guard my life
Why did you tell a lie to me□

Soul of the field and dust of the field
□□□ □□□□
Soul of my sword Fragment of my soul
□□□ □□□□□□

I'd believed you all the time but you betrayed
I thought that our faith was the same
□□□□ □□□□ □□□□□□□□

There's no way to keep a promise 'cause I have to win my honor

Why did you try to do that□
There's no way to keep a promise 'cause I have to guard my life
Why did you tell a lie to me□

Soul of my sword Fragment of my soul
