

Final Fight

Gama Bomb

Cody, Mad Gear, Haggar, vengeful, slums, uptown, subway, Hollywood, 2P, Axel,
Sodom, Thrasher, katana, barrels, dynamite, burger

Subway, city, violence, cage
Thriving on the streets of rage

My car, street fighter, wheelchair, pipe knife, glazed ham, trash can, Molotov, Jenny
Get the fuck up out of that chair it's you
I'm battering now
Armies of the night combined can't stop revenge somehow
A moustache-wielding mayor with two-fisted slamming power
To save my daughter and eat the hams is the order of the hour
