Armageddon

Gamma Ray

Now all you sinners this is the prophecy the revelation of your own destiny you had a dream once A dream that you have sold and now my brother annihilation is foretold

Will you remember ancient times when we rode across the air when the day of judgement comes

and when your world is gonna blow through your heart and take your soul in th twilight of the sun

I believe there's no tomorrow when we all will sink in sorrow when the day of judgement finally comes

It's the end of the world as we know it and it's only just begun the eyes of the world are closin' forever when the day of the judgement will come won't you help me now

Now tell me mother earth oh, we went wrong in the heart of everyone do you remember how it had begun in the desert in the twilight of the sun all dead and gone can you heal me, I am not the only one can you feel me, I don't want to be undone I'm everyone

Save me from this living hell I don't wanna know another tale someone help me through this on the way hear me now

It's the end of the world as we know it and it's only just begun the eyes of the world are closin' forever when the day of the judgement will come won't you help me now

All gods creation is finally dead and gone our revelation, the day of the judgement comes forevermore I stand alone the final fury has begun when the day has come

Guardians of the monsters of the earth take our lives away and you forever will be crushed keepers of the darkness in this world we will not surrender to the evil of your birth Hope will never die and the clear blue sunny sky will ease the pain guardians of the monsters of the earth

Lead us not into the temptation save us from the revelations

I stand alone, I stand alone I stand alone, inside my head

Noone can hear, noone can hear noone can hear, my little word holy father take me on your wings of love the eyes of the world are closin' forever when the day of the judgement has...

It's the end of the world as we know it the eyes of the world are closin' forever when the day of the judgement has come won't you help me now

now all your sinners this is the prophecy the revelation of your own destiny sleep well and dream on the dream that you have sold and now my brothers this world is slowly getting cold
