

You Can Leave Your Hat On

Garou

One, two, three!

Baby, take off your coat
Baby, take off your shoes
Baby, take off your dress

You can leave your hat on

You over there, turn out the light
Now come over here
Stand on that stage baby

You give me a reason to live
You give me a reason to live, all night long

Oh baby baby baby
You can leave your hat on
You can leave your hat on
Oh, give me that hat baby
You can leave your hat on
Oh give it to me baby
You can leave your hat on

Oh my God
Well, suspicious minds are talking, talking
They're trying to tear us apart
They don't believe that it's love about
They don't know what love is
Yeah, I know what love is

You can leave your hat on
Yes you can leave it all
Yeah wow, right now
You can leave your hat on
Give it to me darlin'
You can leave your hat on
Baby one more time, one more time
You can leave
