

# Promise Broken

Gary Allan

I'm out here everyday breakin hearts along the way  
I cause tears to fall and some to lose it all  
This whole world would be  
Better off without me  
Well, I'm the saddest words you've spoken  
I'm a promise broken

I'm the ballgame that you missed  
I'm the calls that don't come in  
I'm every poor excuse you use to cover up the truth  
I tell the people that you love  
That they don't matter quite enough  
There's no stopping me once I'm in motion  
I'm a promise broken

Disappointment, disillusion  
Despair, confusion  
I've seen it all in their eyes  
Don't promise you will if you want  
Don't say you do if you don't  
It's alright to say you'll try

Well, I get pushed aside when you move on with your life  
But I'll stand the test of time in your heart and in your mind  
You'll think about me now and then  
Wonder how your life might've been  
But I will leave you never knowin  
Well, I'm a promise broken  
I'm a promise broken
