

## Catfish Blues

Gary Clark Jr.

Well, I wish I was a catfish  
Swimmin' in the deep blue sea  
I'd have all you women

Fishin' after me  
Fishin' after me  
Fishin' after me

Well, I'm broke and I'm hungry  
Well, I'm Ragged and I'm dirty too  
If I clean up now, tomorrow  
Can I come home with you  
Come home with you  
Come home with you

Well, I love  
Well, I love my baby  
Yeah, she's gone, scream and shout  
When my train comes rollin' in  
And I come walkin' out  
Come walkin' out  
Come walkin' out

Well, I love  
But I'm leavin' you baby  
Yeah, your crying won't make me stay  
Well, the more you cry, lil' Momma  
Further I'll go away  
Further I'll go away  
Further I'll go away

And I know, well I know you don't want me  
But I wanted you darlin'  
You told me so  
When you ain't got a word well, I'll be there  
Hangin' round' no more  
Hangin' round' no more  
Hangin' round' no more  
Hangin' round' no more  
Hangin' round' no more  
Hangin' round' no more
