

Dirty Dishes Blues

Gary Clark Jr.

My baby don't love me no more
I don't know why
Ooh, my baby don't love me no more
I don't know why
All I know
I'm gonna lay down and cry

But I came home from work that day
Check the mail to survey
That's when I saw them love letters from
That man on the side

My baby don't love me no more
I don't know why
All I know
I'm just gonna lay down and cry

My neighbour say, it was nice
But mine was a sight for sore eyes
I stay true to you, baby
Why you gone tell me lies

My baby don't love me no more
I don't know why
Wow, all I know
I'm gonna lay down and cry

Ooh...

Bah bah bah...
