

Find Somebody Else

Gary Clark Jr.

You say you love me baby
but you don't show me no emotion
you say the things that you just want me to hear
don't try and play me for no fool
don't you show me none of those tears

You got to find Ktoś inny dziecko
somebody else baby
somebody else baby
somebody else baby

I know how you act when you around your girlfriends
how you out all night chasing those other men
how you acting like you don't even know my name baby
so I feel like I'm wasting my time

So find somebody else
somebody else baby
somebody else baby
somebody else baby

Yeah, well I know that you don't love me no more baby
and I know that you don't even care about me
but instead you want to go out you want to play games
I'm sorry baby I know it's a damn shame
I'll tell you one more time

Find somebody else yeah
somebody else baby
somebody else baby
somebody else baby
