

I Walk Alone

Gary Clark Jr.

I walk alone because I'll always say I'm sorry
It's not your fault
I move in darkness 'cause the darkness always soothes me
It's natural

But I don't wanna be alone
I don't wanna be alone
Please, please, please

I want a new love
I need a new drug
You don't understand how you hurt me
I want a new love
I need a new drug
You don't understand how you hurt me

I walk alone because I'll always say I'm sorry
It's not your fault
We broke apart because I always say tomorrow
But it's not my fault, yeah

I don't wanna be alone
I don't wanna be alone
Please, please, please

I want a new love
I need a new drug
You don't understand how you hurt me
I want a new love
I need a new drug
You don't understand how you hurt me

I want a new love
I need a new drug
You don't understand how you hurt me
I want a new love
I need a new drug
You don't understand how you hurt me
