

Stay

Gary Clark Jr.

It's been crazy baby lately I've been actin' a fool.
Don't take it personal
I got to do what I do
Yeah

But every time I see you
It feels like the first time
And every time I leave you
I lose my mind
Yeah

That's why I need you to stay with me
Go all the way with me
I need you to stay with me
Don't just blow it all away with me
Yeah

I never been the type of guy
that liked to play by the rules
Maybe you'd understand
if you could walk in my shoes

Cause every time I see you
It feels like the first time
And every time I leave you
I lose my mind
Yeah

That's why I need you to stay with me
Go all the way with me
I need you to stay with me
Don't just throw it all away with me

Come on girl
C'mon
