

# The Governor

Gary Clark Jr.

Well, you can meet my brand new governor  
He the one that makes the law  
If you meet him face to face  
You gonna be the one at fault  
It's your lie, it's your choice, it's you  
But if you meet my brand new governor  
You gonna be the one to lose, yeah yeah

Well, you can meet my brand new governor  
He the one that makes the law  
But if you meet him face to face  
You gonna be the one at fault  
Oh, if you lie, it's your choice, it's you  
But if you meet my brand new governor  
You gonna be the one to lose, alright
