

Lost

Gary Numan

So are we over? Is this our 'end of days'?
Are we so broken that you can walk away?
But when you think back to when we first met are you sad?
And when you think back to all we've been through does it make
you cry?
And when you think back to all the love shared do you feel anyt
hing?
And when you think back, well did you ever think we'd come to t
his?
And yet here we are, and I'm lost.
If we're over, then you're far away
If we're over, then I'm lost.

If I had one chance, if I could change your mind
If I had one wish, I'd wish for one more time
To see you walking, your hand in my hand, once again
To hear you laughing, as if forever, like my only friend
To feel my fingers walk across your skin, with a kiss to end
To listen to you say that you love me like you used to do
Like I need you to. But we're lost.

So it's over, you are far from home
So it's over and I stand alone
So it's over and I'm lost
