This Wreckage

Gary Numan

And what if God's dead We must have done something wrong This dark facade ends We're independent from someone

This wreckage I call me Would like to frame your voice This wreckage I call me Would like to meet you, meet you Soon

We write suggestions Suggesting fading to silence And that must please you My mirror's tarnished with 'no-help'

This wreckage I call me Would like to frame your voice This wreckage I call me Would like to meet you, meet you Soon

Turn out these eyes Wipe off my face Erase me

Replay 'The end' It's all just show Erase you

I need to I need to I need to

This wreckage I call me Would like to frame your voice This wreckage I call me Would like to leave you, leave you Leave you, leave you soon
