Only Hope

Gary Valenciano

There's a song that's inside of my soul It's the one that I've tried to write over and over again I'm awake in the infinite cold But you sing to me over and over again So I lay my head back down And I lift my hands and pray To be only yours I pray to be only yours I know now, you're my only hope Sing to me the song of the stars Of your galaxy dancing and laughing and laughing again When it seems like my dreams are so far Will you sing of the plans that you have for me over again So I lay my head back down And I lift my hands and pray To be only yours I pray to be only yours I know now, you're my only hope Bridge: I give you my destiny I'm giving you all of me I want your symphony singing in all that I am At the tip of my lungs I'm giving it back So I lay my head back down And I lift my hands and pray To be only yours I pray to be only yours I know now, you're my only hope
