What must I do to make you understand You mean everything to me Don't have the strength to say Give this heart of mine a chance And maybe then you will see... Refrain: I'll do anything, do anything that you tell me I'll be there, I'll be there if you need me. Chorus: Reachin' out to you Do you feel it too Lovin' you is all I wanna do I'm completely sure I've never felt this way before When I smile you know that there is something more. What must I do so I can make you see The light that shines in my eyes You brighten up my day You even help me find my way I wish you're always by my side Refrain: And I can't stop, don't know how to stop thinkin' of And I'll do anything, do anything to be near you... Chorus: Reachin' out to you Do you feel it too Lovin' you is all I wanna do I'm completely sure I've never felt this way before Deep inside you know that there is something more. Deep inside you know that there is something more.
