

Are You Weepin'

Gary Wright

My only question is why you are hiding
How you feel about our being together
It's so frustrating to sit here just waiting
I'm asking myself: "Why, why, why, why?"

Are you weepin' or are you sleepin'
Are you keepin' me away from your life
Are you lyin' or are you tryin'
Tryin' to keep me away from your life, oh no

If hesitation slows up your mind
You'd better come out from where you've been hiding
Imagination's you only salvation
We can work out if you try, try, try, try

Are you weepin'
Or are you sleepin'
Are you keepin' me away from your life
Are you lyin' or are you tryin'
Tryin' to keep me away from your life, oh

Are you weepin' or are you sleepin'
Are you keepin' me away from your life
Are you lyin' or are you tryin'
Tryin' to keep me away from your life, oh no

Are you weepin' or are you sleepin'
Are you keepin' me away from your life
Are you lyin' or are you tryin'
Tryin' to keep me away from your life, oh no
