

Better Get Up and Go

Gary Wright

I just had that feelin'
That I've been here before
My heart tried to tell me
The moment I walked through the door

So I better get up and go
Cos' I hate to say goodbye
I think its time you know
How deep I feel for you inside
I better get up and go

I better get up and go
We've come to that moment
The sun is risin' in the sky
Hold on to this feelin'
Cos' it belongs to you and I

So I better get up and go
Cos' I hate to say goodbye
I think its time you know
How deep I feel for you inside
I better get up and go

Yeah, yeah, yeah
I better get up and go

I better get up and go
Cos' I hate to say goodbye
I think its time you know
How deep I feel for you inside
I better get up and go

I better get up and go
Yeah, yeah, yeah
I better get up and go
