

Get Your Hands Up

Gary Wright

One more night again, your standin' here right next to me
There's a mystic power in your eyes, and it's movin' me where I
wanna be

The fever of the moment and the magic of the night
Is liftin' and releasin' you to me

Oh get your hands up
We're gonna have a good time tonight
Get your hands up
We're gonna dance in the moonlight
Get your hands up
Gonna have a good time, good time
We're gonna have a good time tonight

Hold on to me tight, I feel the love you're sendin' me
Nothin' now can hold me back, this moment came to set me free
Craziness around us like a melody inside
Wakin' sleepin' feelin' once alive

Oh get your hands up
We're gonna have a good time tonight
Get your hands up
We're gonna dance in the moonlight
Yeah, Yeah. Yeah. Yeah.

Get your hands up
Ooh we're gonna have a good time, time, time, yeah, yeah
Get your hands up, yeah, yeah get your hands up

Get your hands up
Ooh gonna have a good time, good time, good time tonight
Get your hands up

Gonna have a good time, yeah, yeah
Get your hands up
Gonna have a good time, good time, yeah, yeah

Get your hands up
Gonna have a good time, good time, yeah

Get your hands up
Get your hands up
Get your hands up
Get your hands up
Get your hands up
