

Gimme Some Time

Gary Wright

Gimme some time I don't need much
Gimme your love I need your touch
Gimme some hope I need some dreams
Gimme your love that's all I need

I have searched so many lonely nights
Tryin' to find my way back home
Never lastin' till the mornin' light
Always feeling in my heart I was alone

Gimme some time I don't need much
Gimme your love I need your touch
Gimme some hope I need some dreams
Gimme your love that's all I need

Oh I've cried so many bitter tears
Like a river to the sea
Oh I've wasted many lonely years
Waitin' for your love to rescue me

Gimme some time I don't need much
Gimme your love I need your touch
Gimme some hope cos I need some dreams
Gimme your love that's all I need

Every body's lookin' for someone
Who'll be there when the rain's comin' down
No one sees what's in front of them
When their heart's been broken so many times

Gimme some time, Gimme some time, Gimme some time
I don't need much
Gimme some time, Gimme some time, Gimme some time
Yeah Yeah
