

The Wrong Time

Gary Wright

Change is what she said when she left me
A-later she ran cryin' out my door
But time has made me see misery is gettin' to me
It's time I think to take her back once more

'Cause it's the wrong time, it's the wrong place
It's the wrong way for me to tell her that it's over
It's the wrong time, it's the wrong place
It's the wrong way for me to tell her that it's over

Somethings got into my way, you're leavin'
Strange it seems each time I'd say goodbye
I think of all the good you did and I give in
And loneliness has made me realize

That it's the wrong time, it's the wrong place
It's the wrong way for me to tell her that it's over
It's the wrong time, it's the wrong place
It's the wrong way for me to tell her that it's over

It's the wrong time, it's the wrong place
It's the wrong way for me to tell her that it's over
It's the wrong time, it's the wrong place
It's the wrong way for me to tell her that it's over

It's the wrong time, it's the wrong place
It's the wrong way for me to tell her that it's over
It's the wrong time, it's the wrong place
It's the wrong way for me to tell her that it's over
