

More Than Anyone

Gavin DeGraw

You need a friend
I'll be around
Don't let this end
Before I see you again
What can I say to convince you
To change your mind of me?
I'm going to love you more than anyone
I'm going to hold you closer than before
And when I kiss your soul, your body'll be free
I'll be free for you anytime
I'm going to love you more than anyone
Look in my eyes, what do you see?
Not just the color
Look inside of me
Tell me all you need and I will try
I will try
I'm going to love you more than anyone
I'm going to hold you closer than before
And when I kiss your soul, your body'll be free
I'll be free for you anytime
I'm going to love you more than anyone
Free for you, whenever you need
We'll be free together baby
Free together baby
I'm going to love you more than anyone
I'm going to hold you closer than before
And when I kiss your soul, your body'll be free
I'll be free for you anytime
I'm going to love you more than anyone
I'm going to love you more than anyone
