

# Waterfall

Gavin DeGraw

Say it by mine,  
Carry waves of light.  
Caught in time,  
Waitin' on the light.

Then the winds, they go by  
Faster than fireflies.

Hold my hand,  
Take my life.

Waterfall,  
Waterfall,  
Waterfall,  
Waterfall, you're beautiful.

Live by me,  
Stand next to me.

Your lovely,  
Let nobody else see.  
And the tide is callin'  
Shadows slowly fallin'.

Waterfall, lovin me.

All the terrible things I used to say,  
I'd like to throw them all away.  
Tell me your story  
All about the sin,  
I want to get to know you again.

Beautiful, you're beautiful, beautiful...  
Waterfall...

You're beautiful.

Beautiful, beautiful, beautiful, beautiful....[repeated 3x]
